## Walk in the Park

Meanwhile, the **Armenian Heritage Park on the Greenway** celebrated its **Let's Party for the Park!** fundraiser, an elegant evening held at the **InterContinental Boston** hotel that attracted the likes of investing giant **Leon Semonian**; tree-shaker extraordinaire **Barbara Tellalian**; Storica Wines cofounder **Zack Armen**; former state Representative **Rachel Kaprielian**; and Zanzibar Capital boy wonder **Eric Doroski**, to name a few. Guests went home with a baseball cap that said, "Let's Meet at the Park."
