

# CELEBRATING WHAT UNITES US!

In celebration of the immigrant experience, what unites and connects us, each program highlights the country of origin of many living and working in the City of Boston and beyond. The monthly series builds community and cross-cultural understanding while promoting active, healthy and engaged living.

Sharing the immigrant experience.

Walking the labyrinth, a way to relax and quiet the mind.

Enjoying a signature dish while meeting and greeting.

**Wednesday, May - October 2024 at 10:30 am**

**May 22: Colombia   June 26: China   July 24: Brazil   August 28: Cabo Verde**
